Dear Sir:

I am an independent scholar and published author of 3 English Renaissance biographies. The letter is to be used in a biography about Henry Grey 2nd Duke of Suffolk. It should be published late next year with my current publisher Algora in New York.

I hope this is what you are looking for. Thank you for your time in this matter,
James D. Taylor Jr.

Dear Mr. Taylor,

In my last Mail I was just saying, that I would be pleased to provide you with the Information you requested, but that I would also appreciate to learn about you and the purpose of your research, so that a later time, when we are going to edit the Correspondence between Bullinger and the Duke of Suffolk, we could point out to your Publication.
