

West, Bullinger and England in the Reign of Edward VI (Papers of the British Anniversary Colloquium, September 1975) p. 7, paragraph 5, name and day. 1550.

D.A. Scaler, in einem Brief an IRG, 23. März 1976: "The MS seems to bear out all West's arguments. The only matter which remains doubtful is the date, I think: it might be December, but it could be earlier, or, less likely, later."
